

LESSON 6

Claire: Hi Jessica! It's Claire. What's up?

Jessica: Oh! Hey! I'm fine. How are you?

Claire: You're not gonna believe it. I *had a few days off* after a long time and I went on a trip. I finally *hung out* with my cousins and I *made* a few *friends*.

Jessica: That's amazing.

Claire: Yup. But *all of a sudden* my boss called from the office and asked me to get back *ahead of time*.

Jessica: Why?

Claire: Unfortunately, there was a big fire in the office and only firefighters *got to put out* the fire.

Jessica: OK, but why did he ask you to get back?

Claire: Because the fire damaged many machines and he always *counts on* my help. He wanted me to *look* the machines *over* and check if all the machines work and nothing is *out of order*.

Jessica: So is everything OK now?

Claire: I hope so! Jessica, sorry! I have to *go on* working and I must *hang up* the phone but I will call you back. OK?

Jessica: OK! Bye for now.
